BEST OF CLUB

I'm not like any of these other girls in this magazine. I'm not sucking a dick and I'm not taking some guy's greasy load all over my face or asshole. Why? Because I'm an eighteen-and-three-quarters-year-old princess! Not real royalty, silly, but a princess of beauty and excitement.

See, I'm posing here to expand my world of wanking sperm addicts. Yes, you heard me, I'm talking to you with that dick in your hand. You are a jizzum junkie, who needs the feeling of squirting regularly to the girls in magazines. Don't worry, your needs are in good hands with Princess Nika! I don't even want to know what you do with that glop once you shoot it...my concern is that you shoot it daily, and you shoot FOR ME. Just knowing you readers are doing it for me daily makes me feel more powerful.

Stare at my ass or my slick shaved pussy. Let your eyes roam over my smooth legs, or get excited over my kinky knee socks or high heels. I've got your number, you squirt-happy honey! You thought you bought a magazine, but what you really bought was your ticket to Nika's World of Daily Squirting. That's what I expect—a load a day. So get tugging!

**Book-Shelf Butt-Sex!**

**Elise & Joe**

Joe was definitely one of the smartest guys Elise had met so far in her college experience. His room was just crammed with books...and, his pants were crammed with COCK—something she realized when she rubbed against him as they went over some homework! Elise was almost embarrassed by how sex-mad she had become now that she wasn't under the watchful eye of her mom and dad anymore. She was taking advantage of every situation to prove herself...a TOTAL SLUT!

It didn't take too much to get Joe to take off his glasses and forget the books for awhile and do some other, more interesting things, like fingering her while she lowered her panties down her legs in their striped socks. And then, oh boy, did his cock ever fill her hole so great! It stretched her wide and made her all juicy inside. But she didn't want to stop there, and why should she? She got Joe to cram that monster inside her ass. And did he ever shoot a big mess all over her back hole! Slimy but lovely and nasty as it dripped down her crack. Don't tell anyone but she scooped it up and ate it, too!

***Licking Outdoors And Loving It!***

# **Suzie & Sandra**

When you put two models in a pool on a warm sunny day, watch out! Especially if they're eighteen and bi-curious and have an exhibitionistic streak as wide as a football field! Blonde Suzie and redhead Sandra were going to just pose pin-up style initially, but it didn't take long for that initial idea to fall by the wayside and their real agenda in taking this modeling job to come out: to play with each other's pretty pussy in front of a camera for the whole damn world to see!

Suzie really enjoyed the taste of Sandra's nips as the water lapped around them, and then Sandra thrilled to the excitement of peeling away Suzie's bikini bottom and getting to inspect that delicious-looking crack and pussy. Soon she was lapping at Suzie's flower-like lips, and in a flash she reached over to her bag on the side of the pool and pulled out a vibrator to give her friend some extra sensations!

As it turned out, Suzie had brought a vibrator along too, and was slipping it into her pal's petunia as she licked her rosebud. Soon the photographer was forgotten as the girls raced themselves to climaxes, their moans and groans so sweet in the otherwise quiet air!

***They Used His Cock Like A Sex Toy!***

**Lena, Tessa & Oliver**

Luscious Lena and tantalizing Tessa were so happy to meet Oliver at the shopping mall in the food court, and bring him home to Lena's house for some hot, sexy fun. They all got naked quickly and the girls soon gave the royal treatment to Oliver's cock, peppering it with kisses and then stuffing it into their holes. The girls had often fantasized about having a threesome, and this first time was a blast! Just the idea of sharing a hard cock between them was enough to make them cum practically from the get-go!

Lena was so excited that she took it in the ass, too! Tessa sucked her tits while Lena rode up and down on the rigid rod. Then Tessa licked Lena's clit as she watched Oliver's prick move back and forth in her best friend's butt. She slid lower and licked Oliver's balls while the other two watched her and made comments about what a dirty girl she was. "I never knew you liked balls so much!" Lena giggled to Tessa.

Feeling inspired by Lena's ass antics, Tessa took the pork in her bung too, and then it was Lena's turn to lick some nuts. You'd almost have thought Oliver was some kind of living sex toy the way these eighteeners treated him, but no mere toy could have spunked out such a beautifully nasty load!

# I'M A NOISY LITTLE SLUT!!!

By Lacy P.

I've been seeing a guy named Jason at college, he's a junior and two years ahead of me, and he's really fun. We started fooling around quickly after we met, and it's been great. I like to fuck and suck like a girl my age (18 and seven months) should, I mean I like to do it a lot, just like guys do. It was all bullshit myth that girls aren't as horny as guys, as we've learned in Introduction to Gender Studies.

So anyway, living in a coed dorm makes it easy for Jason and me to screw around plenty, and I love to be on my knees especially when he's holding my ass and giving it to me doggie-style. I hold up a little mirror in front of my face, like a rear view in a car, and watch Jason do me that way.

But then the other night he squirted his goo on my ass! I wasn't prepared for that and got a little upset, but Jason was more upset than I was, seeing how grossed out I was. We didn't communicate enough, I guess, and I ended up realizing he didn't know about my feelings about cum on the body. He had always pulled out and cum in a tissue, which I'd asked him to do without explaining why.

You see, my girlfriends and I at college watch porn, online mostly, which is hot and fun...but one thing I always thought was a little gross was when guys would unload right on girls.

I really, really like Jason, though, so the next time we were messing around, I thought I would stop being so close-minded and see if I could enjoy the feeling of his cream plopping on my body. Maybe I was so shocked the first time he goosed me because it was too unexpected when I was in the doggie position...and I figured I might like it better if I was on my back.

So we were really going at it the other day, his tongue was deep in my mouth and his cock was banging my pussy so good. The bed was squeaking and my dorm room just smelled of us having

sex! I liked feeling Jason's chest against my bouncy boobs, all sweaty and strong, and I squeezed my fingers on his ass as he fucked me faster and harder. His cock felt so strong and long in my pussy, and my nipples were so stiff. There's nothing like feeling a guy hold you tight like that, fucking you hard. Yes, it's basically what they call the missionary position, but I like it.

But then it got a little too sweaty and Jason lifted himself up, pulling my legs up too so that my feet rested on his shoulders. He looked so sexy fucking me that way, pulling my pussy deep on his dick. I loved his balls slapping against where my pussy meets my butt (I think they call it the "taint"), but then he started moving slower, plowing my cunny back and forth while I reached down to play with my clit.

"Can we cum at the same time, Jason? I really want that," I said, in a soft little voice.

"Yes, I want that too, Amber. Let's go for it."

"And Jason...let's try it again. With you...gooning me, I mean. Shoot on my tummy this time?"

"Really, babe?"

"Really!" I guess if you like a guy, you'll try new things for him.

He held me by the ankles and fucked me steady and sure. We locked eyes and I rubbed my clit in rhythm to his moves. The sheets were so wet underneath me, I could hear other students out in the hall through the door, and I wondered if they could hear the squeak of my bed. But I didn't care...

Jason fucked me faster and I rubbed myself faster too. "Babe...I can't hold it much more!"

"I'm close too, Jason!"

My finger was almost whirling on my clit, my whole body was tense as I got closer and closer, and then suddenly I started to cum. I didn't have to touch my clit anymore. I grabbed the pillow and held it over my mouth to cover my loud cry. "Ohhhhh Jason—!"

I was still cumming as he pulled out and sprayed big bursts of cum into the air and down on my tummy. I had never seen Jason cum so hard. It was good feeling the cream now...good, that is, because we'd cum together. It seemed like a good finish, and not just for him—for both of us! Like his cream belonged to me too.

I'm pretty sure we'll be trying it again doggie-style sometime soon!

**When I'm Not With The One I Love...I Love The Dildo I Shove!**

# Claudie

A young woman with blonde hair is lying on a bed with white and patterned pillows. She is looking directly at the camera with a slight smile, her hand near her mouth. She is unclothed.

When you look through my pictures, you'll see me shoving a dildo deep inside my pussy. There's a reason for this, and not just a sexual one. I'm a very loyal girl. Even at eighteen, I don't stray and play around on my man. I love him and I'm faithful. But he has to go on business a lot, and I have needs. And so when he isn't near, I shove Mr. Dildo inside. I use a dildo because it gets me off, but it also helps me stay away from other guys.

When I use it, I pretend like I'm doing a show for my guy. I imagine he's sitting in the room and I take down my bra and panties slow and naughty-like, and imagine him playing peek-a-boo with my pussy over my panty crotch. And then I fantasize spreading myself and turning this way and that on the bed, with my panties tangled up around my ankles, oh I'm so klutzy sometimes.

But then I get out the toy and I imagine what my guy thinks, seeing his girl with a thing like that, a buzzy little plastic monster, ready to be shoved into his sweetie's hole. And I know what he thinks...that I'm a good girl, who uses the toy so I won't be bad, so I won't go out looking for other cocks to keep me company when I feel lonely for him and my needs get out of hand!!

# So Young So Sexy

P.O.V. #3

**STARRING:** Tristyn Kennedy, Evilyn Fierce, Lexi Diamond and Tiffany Star with Mike Adriano

**DIRECTOR:** Laszlo H. **STUDIO:** Digital Sin

The memory of a young pussy getting broken in by a big cock can last a lifetime and we're lucky these fresh memories live on DVD, too, so we can go back to them again and again, because the first time through it's difficult to believe our eyes.

The fab four—Tristyn Kennedy, Evilyn Fierce, Lexi Diamond and Tiffany Star—is a capital set of young lasses, eager mouths, and purring pussies, each writing another chapter in her fuck book as she learns what it's like to really get her little muffin pumped.

It's all long blowjobs and pristine divides being plowed and seeds being planted in pretty mouths, perfect pink, and young minds. The future is here and it's never looked so nubile.

## TIFFANY STAR

It would be hard to find a more sweet-bodied teen than Tiffany. Full and curvy but not even a hit of fat in her smooth skin, sporting a lovely thigh-gap and a rack that would be the envy of women at any age. She's teen-tastic in her boy-cut panties and tank-top, dimple-denting with her knowing smile, but when she gets undressed, all hell breaks loose in our pants. The booty is even bigger, the pussy unshaven for a couple days is showing the outline of its territory, and the balloons, oh, what we could do with them!

For Mike the tits are all fine and they get their love, but it's her snatch, delicious in its appearance, the deep contours and the shiny pink center, that's what true love is based on. After sharing plenty of prep work, Mike dips his stick into her snatch and she takes it not without some effort. She has some real "Oh shit!"-type moments as he shoves onward and her face cringes with the joy of discovery as he sets the pace for a race this pussy has never run.

He lets her take an early break to blow him for a while again, but when they continue, there's no stopping and she becomes a stuttering, shuddering mess as he pumps her hard and she holds a pink vibrator to her clit, moaning and mumbling as he sets a new standard for the just-18 stunner.

She enjoys the expansion his cock gives her, even if it seems to age her a year or more as a couple wrinkles show up on her forehead where there were none before. After taking him doggie-style and riding him hard, she begs for him to jizz on her pussy and he sprays her stubble with his white dots.

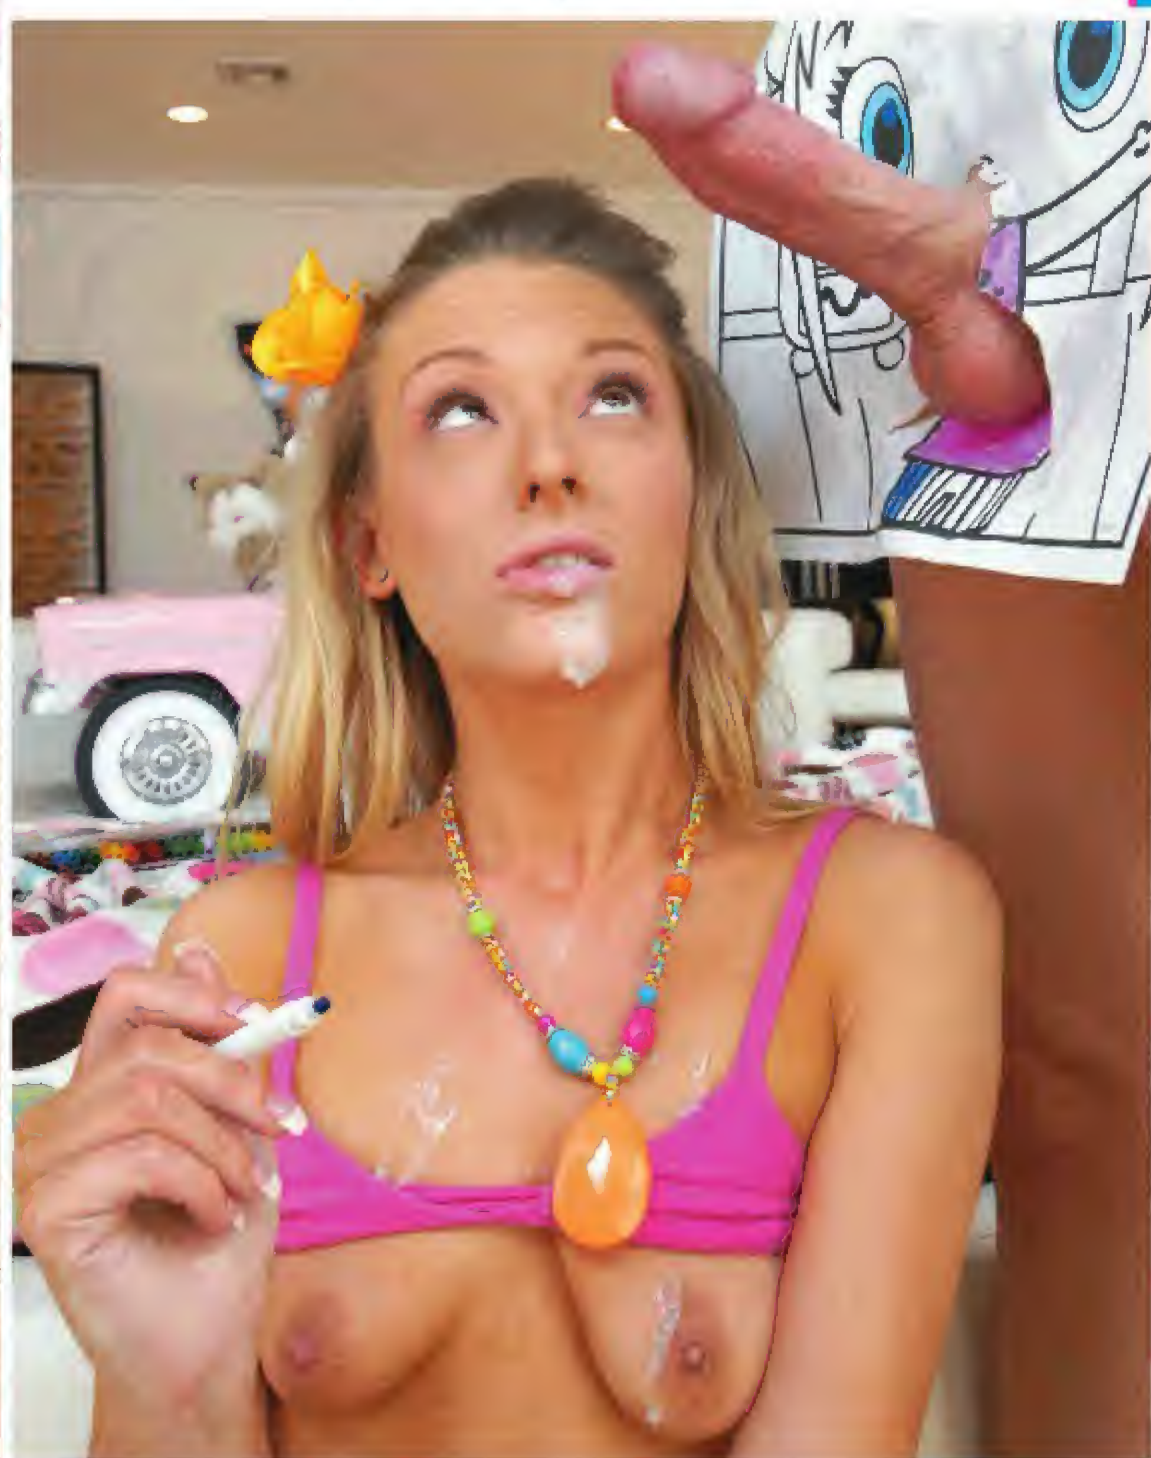

## TRISTYN KENNEDY

She doesn't wear any panties under her flowery skirt and her well-manicured nails look like they have a lot of experience navigating their way around her puffy pussy lips, gently pushing them aside so that we can see inside and then her fingers can slip in, only to reappear glistening and wet. She takes a long, white marker and slides it slowly deep into her puss, a mere measuring stick for what occurs next.

She bends over and lets Mike tongue her puss 'n booty and suddenly she is cooing, sweet on his finger in her ass and her snatch getting round the pink attention. Soon her brown eyes are glued on his as she gargles on his cock, doing her best to get her tongue to his balls, but only making it about halfway before dumping all of her saliva on his dick.

All that spit comes in handy when he goes from the mouth-hole to the girl-slit. She is completely hairless, so smooth. But her semi-beefy lips betray her virginal appearance, the touch of both an 18-year-old's eager hands and the few peckers that have been fortunate enough to take early rides in the satin-cushioned pureness. Mike does his best at making that hole a little less pristine, but it's a price we're willing to pay when we can watch it go away with our own eyes.

She gets on her back and lets him shove it in, ripping down her shirt so he can handle her small boobs as she does her best to play with her clit, getting herself off in just a couple minutes, a process that is sexily repeated countless times as she snarls, teeth grinded together and her eyes squinting tightly and young pussy giving the clampdown to his big rod. Later she assists by sliding her middle finger in her ass, poking away at her innocence as he slams it away from the other direction. They close things out by returning to the mouth-stuffing and he blows on her face and in her mouth as she continues to milk his cock until his hardness reluctantly fades away.

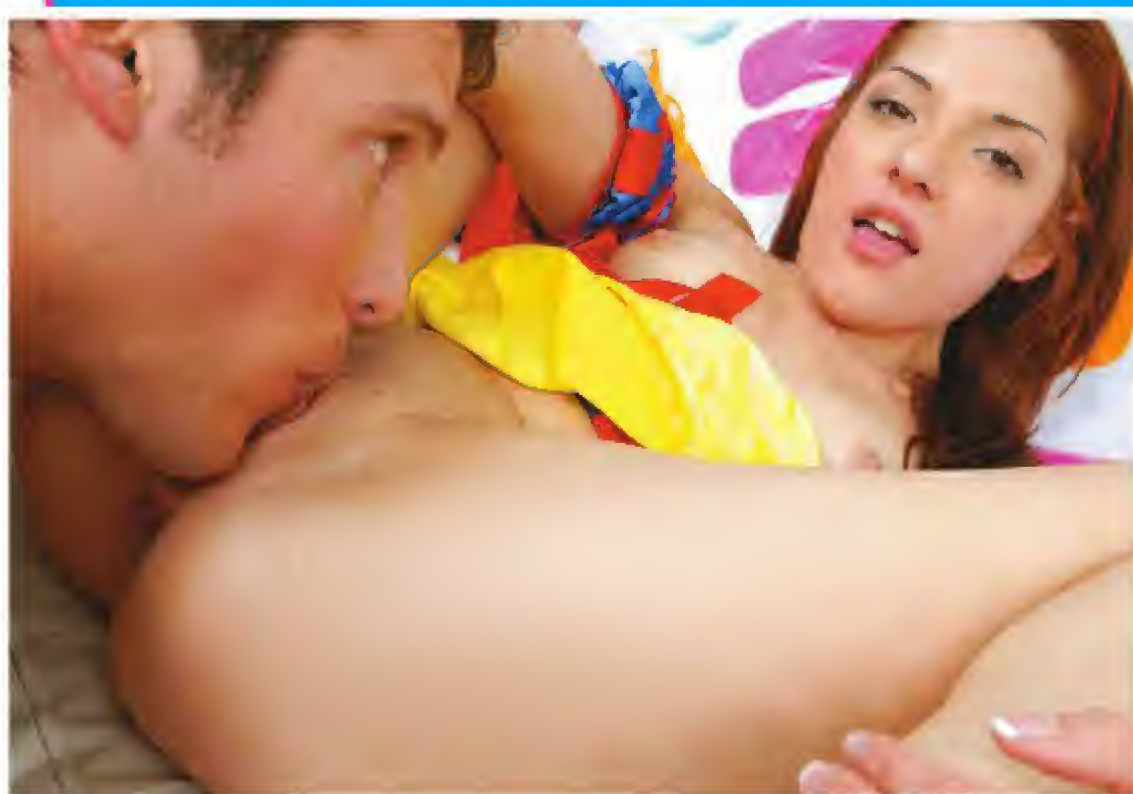

## EVILYN FIERCE

Evilyn tries to dress as maturely as she can, but she can't escape the tenderness of her ripe body even as she hides it, however briefly, under her clothes. No one needs to talk her into showing off her figure, and she gets off on telling us that her 18-year-old titties and pussy are just for us and our surrogate does a great job of prepping her vag, which is even meatier than the previous two girls. Maybe it only makes it more sensitive, because when a tongue hits her fleshy parts, she almost gets hypnotized into a dreamy moan, one that any of us would kill to wake up to.

Like the other scenes in the movie, she spends plenty of time sucking his cock, slobbering, swallowing, and doing her best to fit it all into her mouth. Good luck. Her pussy is easier and she's able to take his whole stick in a hurry and he swishes it around and probes her just right and she is open to his cock-wanderings.

One of them pulls out a vibrator and she holds it tight to her clit and they both get added satisfaction, but it's her that cashes in with an orgasm as he rams and rams until her puss squeezes so hard, he has to stop pumping. Soon as she loosens up, they do it again and her body does the wave on the bed as she cums again.

He greases up her ass to great effect, it twinkles in the light as he grooves her from behind, her ass big and firm, the booty still in its youth. It gives off a special gleam, too, when she is on top and sliding down his pole to another orgasm, her asshole looking tempting as it gets close to the camera. It's as if Mike can see through the camera because just as one fixates on that cheerio, he demands she stop riding his cock so he can fountain his cum. Since she's doubly hot, they keep on fucking and he blows a second wad on her mug.

## LEXI DIAMOND

The final offering is the fun-loving Lexi, who is so cute and playful, it's hard to pin her down, and it seems nothing will calm her—until she's faced with a big dick. Suddenly she's almost serious and she shows a sudden maturity that has her stoking that spit-lubed member into her sweet-talking mouth.

She doesn't appear to be a newbie to the hide-the-salami game, not as she pulls her legs back all too easily and her hand slides around the outside toward her hot dot way too naturally for it to be her first week or so, but we aren't going to hold a little horniness against her, not when she can please a dick while keeping her look of innocent desperation on her face and those incredible tits perked up for the enjoyment of every man who's ever loved boobs. When strands of hair fall across her face as she holds onto the bed, guiding herself up and down on his dick, she looks as hot as anyone in the two hours of fucking and seems to have inspired the So Young So Sexy name herself.

There is a long, intense doggie-style that has our girl cooing at the blast in her gash and they close things out with Lexi pulling her legs back by her ears and him shooting his man-gas all over her delicious shaved snatch. Ah, what could possibly be better!

**Getting Fucked In The Ass Was Her Idea!**

# Madlen & Dupree

Dupree was a happy guy. He sure should be, with a girl like Madlen around! They'd been going out since shortly after high school graduation, and things were beautiful! She was sweet, considerate, and totally horny for him. They went together like peanut butter and jelly!

He'd bring her a rose just to show how much he cared, and the next thing he knew, she'd be sucking his cock. Wow, she sure looked beautiful with something like that in her mouth. The way she just gobbled it down! But Dupree could never wait too long before he put himself inside her. He loved to be connected by his hard shaft into her sweet, tight, wet snatch! To feel her walls squeezing around his inches almost as if she were urging him to go further, further than maybe it was even possible to go! She was wild that way.

The best was when they were facing each other close, kissing, as he pumped back and forth in her wonderful pussy. But Madlen could never just settle for being done that way. Oh, she needed it in the ass too, and she was totally the one who suggested it! She took it in her butt and rode it every which way, moaning and groaning and telling him to never stop. Cumming inside her ass was beyond great...and Madlen was in every way a keeper!

Mmmm, I want to suck your cock so bad!

***We Play With Toys If We Have No Boys!***

# **Katey, Alley & Bella**

Young girls now are so different from generations ago, when women depended on the company of men to feel fulfilled. These days, as Katey, Ally, and Bella demonstrate, girls have the freewheeling option of stripping each other down and feeling each other up, all leading to the ultimate pleasure of enormous sex toys crammed into their coochies. If they don't have boys, they'll make it with toys!

Squealing with delight and brimming with laughter, they proceed to stuff their pussies and assholes with the amazingly hard artificial cocks that—for extra thrills—they shoplift from adult emporiums! With the sensual spoils of their thievery stuffed in purses and coats, they hurry home to their dorm suite to play together.

Larceny leads to the fulfillment of lust as they open wide for the proxy pricks. Their arousal builds and they grit their teeth with the cramming of their cunnies. But it's when their *butts* are stuffed that the excitement really peaks. Groaning loudly with each thrust of the glass or rubber shafts, our heroines know they'll be well-prepared for the huge rods of real guys that they hope will be coming their way sometime soon!

**Sensual Thrills In The Swamp!**

# Ella & Ridge

Ella was hanging out at the swamp just outside town, doing something for a science project at school, when she ran into one of the biggest local hunks, a sexy rebel type named Ridge. Ella had been hoping she'd find him here, because there were rumors he liked to hang out at the swamp. She'd lost her virginity recently but to a guy who didn't do enough and left her unsatisfied, so she wanted to get it on with somebody truly sexy like Ridge. Everybody said he really had a way with a girl's body, and didn't like to waste time getting down to business.

Soon enough he was sucking on her titties and licking her pussy on the blanket she'd brought along. A broad smile broke out on her face once she wrapped her lips around his fat cock, and she could tell by the assured way he touched her and moved her head over his crotch that this was the kind of guy she'd been waiting for.

Ella quickly got rid of her pink shorts so she could sit her pussy down on his thick meat, and he fucked her every which way. It was hard to pick a favorite position but she really enjoyed riding him and feeling his dick going all the way up inside her. She was glad she got to suck him again, though, just before they both came. The sounds of the crickets were all around them as they exploded in orgasm! What a swampy thrill!

***Ass-Porked On The Porch!***

**Britney & Dennis**

Even though Britney knew that Dennis was a drive-by kind of boy, she went after him anyway. She knew he'd probably dump her after a few fucks but she figured it would be worth it. The guy was so hot, skateboarding around the neighborhood. She'd heard that he had a super-big cock, too.

He didn't disappoint her that afternoon when they hooked up on the back porch of her parents' house. It was isolated and nobody could see them, and her parents were away shopping. The feeling of Dennis' tongue on her tasty tits was so wonderful, and she couldn't keep her lips off his dick. He really liked to eat pussy, too! Peeling aside her green shorts, he got his tongue into her vag and ate her real good. Then she sat her pussy down on his dick, and it only took a few minutes to know she was going to have to put it in her ass, too! A cock like this shouldn't be wasted, but used everywhere it could be!

She got on her knees on the ground while he pounded her butt and OMG did she ever cum like a tornado! And she let him fill her ass with his cream. Sure he'd drop her for the next girl soon enough, but at least she'd have all these butt-loads to remember!
